Our specialties include Dental instruments & equipment, Surgical instruments, Medical Equipment, Lab chemicals, Lab ware, Pharmacy equipment, Physiotherapy product, Manikin, Teaching Slide & chart, Medical disposable, Medical & laboratory furniture, Veterinary Product, Medical software, After sale service support, spares & maintenance.

"We believe in staying true to the original focus of meeting customer's needs and providing exceptional quality at an excellent value"

Our Head office is located in Kuala Lumpur, Malaysia with an efficient customer responsive unit capable of supporting our clients 24/7 and a fully equipped and stocked warehouse at Kuchai Lama.

Rainbow Medical & Dental Supplies

Medical Supplies

We supply quality medical disposables for clinics and hospitals, from regular supplies like surgical gloves to medical equipments like X Rays and Computerized Radiography

Dental Supplies & Lab equipments

We specialize in a wide range of supply from dental instruments to lab equipments and dental disposable, dentures and acrylic tooth. With most dental instruments being RAINBOW brand with 5 years replacement warranty. We also import from Pearson Dental, USA and Medical One, Italy.

Laboratory Chemicals & Reagents

We supply high quality lab chemicals with lab equipments and glass wares from manufacturers worldwide. We also supply culture media and molecular & biochemistry analysis reagents.

Veterinary Supplies

Due to increasing demand in Veterinary society, we had begun supplying complete Vet Equipments from X- Ray to OT Lights along with disposables and surgical Vet implants from USA.
